

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. Please read the FEHB Plan brochure ([insert brochure number]) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.rcbphealth.com and view the Glossary at www.rcbphealth.com. You can call 1-800-638-8432 to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p>In-network: \$350/Self Only \$700/Self Plus One \$700/Self and Family</p> <p>In-network and Out-of-network: \$800/Self Only \$1,600/Self Plus One \$1,600/Self and Family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. <u>Copayments</u> and <u>coinsurance</u> amounts do not count toward your <u>deductible</u>, which generally starts over January 1. When a covered service/supply is subject to a <u>deductible</u>, only the <u>Plan</u> allowance for the service/supply counts toward the <u>deductible</u>. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
Are there services covered before you meet your deductible?	<p>Yes. In-network preventive care; In-network office visits, In-network inpatient hospital; In-network surgery; Emergency services; and 90-day supply of prescription drugs.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of covered <u>preventive services</u> at https://www.uspreventiveservicestaskforce.org/uspstf/recommendation-topics/uspstf-a-and-b-recommendations.</p>
Are there other deductibles for specific services?	<p>Yes. \$200 per person for retail prescriptions. Retail <u>deductible</u> is waived when Medicare Part A and B are primary.</p> <p>\$50 per person for dental coverage for all services except for <u>preventive services</u>.</p>	<p>You must pay all the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services</p>
What is the out-of-pocket limit for this plan?	<p>In-network providers: \$5,000/Self Only \$10,000/Self Plus One or Self and Family</p> <p>Out-of-network providers: \$7,000/Self Only \$14,000/Self Plus One or Self and Family</p>	<p>The <u>out-of-pocket limit</u>, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they must meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>

What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , balance-billed charges, penalties, expenses covered by <u>specialty drug copayment</u> assistance cards, and non-covered services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.rcbphealth.com or call 1-800-638-8432 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	This <u>plan</u> does not require a <u>referral</u> to see a <u>specialist</u> for covered services.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
